

EVENT INFORMATION

19-22 JULY 2025

The Tall Ships Races is the largest free family event in Europe and returns to Aberdeen after 28 years, expecting to draw 400,000 visits and more than 50 Tall Ships from across the globe from 19-22 July 2025. The event will take place in Port of Aberdeen's North Harbour, across Waterloo Quay, Regent Quay, Upper Quay, Jamieson's Quay and Blaikies Quay.

Road closures and parking restrictions

To safely accommodate the expected number of visitors to the event, a number of parking restrictions and road closures will be in place throughout the event footprint, as detailed on the map overleaf.

We would ask that you consider the enclosed information to reduce any disruption you will face during the restrictions.

The Tall Ships Aberdeen team is keen to ensure that the organisation of this event causes minimal disruption to those working, visiting and residing within or adjacent to the event sites. We hope this letter has provided you with relevant information and that you will enjoy The Tall Ships Races Aberdeen.

For more information on the event, visit tallshipsaberdeen.com

Footdee residents event information

The Tall Ships project team recognise the impact the event may have on the residents of Footdee and in order to minimise disruption, intend to operate a resident permit scheme similar to previous events.

Vehicle access to New Pier Road and Pocra Quay will be on production of an event access permit during the following periods:

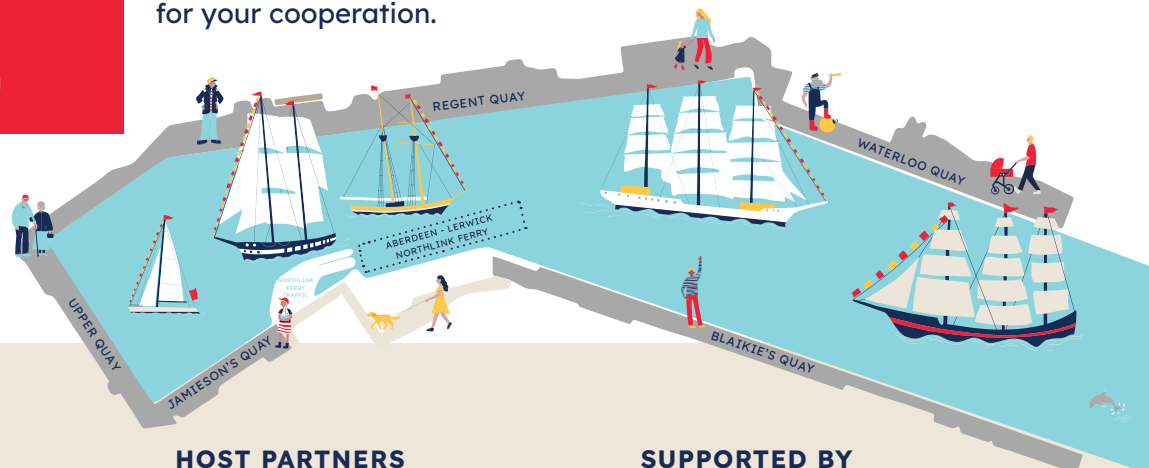

- 06:00-23:30 on Saturday 19, Sunday 20 and Monday 21 July
- 06:00-17:00 Tuesday 22 July

Please note that some additional events are planned for the 21 and 22 July. The restrictions required will see the Esplanade closed and only vehicles with a valid permit will be permitted entry via Wellington Street - York Street.

All residents will receive one access pass in June and additional passes can be requested by contacting tallshipsaberdeen@aberdeencity.gov.uk by Tuesday 7 July.

Normal pedestrian access and emergency services access will remain in place at all times.

We apologise for this inconvenience and thank you for your cooperation.
